Notifications
ACT is closely working with test site administrators and monitoring guidance from the Centers for Disease Control (CDC), state government and local public health guidelines. We are preparing to support test centers who are cleared to administer the ACT on June 13, 2020.

During the week of May 26, we will notify students and announce all test center closings and cancelations for the June 13 test date. However, as ACT and other agencies navigate ongoing developments, testing at any test center is subject to change at any time between now and June 13, 2020.

ACT Section Retesting
**ACT Section Retesting**

Students who have taken the complete test once, will be given the choice to **retake individual ACT section tests** at online equipped national test sites.

**Benefits:**
- Narrow preparation **focus**
- **Shorter** test time
Available for all students who have taken the full ACT test

• Lets students **narrow their preparation focus** to individual ACT test sections or subjects

• Students may take up to **3 section retests** on any one test date

• There are **no limits** on the number of times a student may take a retest

• Offered **seven times a year**, on the same dates as the national ACT test

Section Retesting FAQs
What will Section Retesting cost?

• 1 Section Retest: $44
• 2 Section Retests: $48
• 3 Section Retests: $52
Is Section Testing a better assessment of student’s abilities?

Our extensive research confirms that section retesting gives students the opportunity to showcase their skills and accomplishments gained over a lifetime, not just their test-taking abilities on one particular day.
How does the ACT Section Retest score impact a student’s ACT composite score?

Since the composite score is the average of students’ four scores across English, math, reading, and science, a higher retest score in any of these subject areas will increase the overall test average.
