How Do I Register and Access Score Reports for My ACT® Test?

Students who plan to take the ACT in a test center outside the United States must first register online to take the test. Here’s how to determine which website to use for registration and to get your score reports.

If this is your first time taking the test...

MyACT is the place for first-time examinees to register and order score reports for 2018–19 test dates. Go to myact.org to access MyACT.

At MyACT, you can:
- Register to take the ACT
- Find a test center location
- Select a test session (date and time)
- Request test accommodations
- Opt in to the ACT Educational Opportunity Service (EOS) and connect with universities
- Select universities to receive your score reports (up to 4 universities for free!)
- Discover majors and occupations that fit your interests (and tell universities about your interests)
- Take ACT practice tests

During registration, you will need:
- About 30 minutes to register
- A credit card, voucher, or fee waiver
- Your email address
- A list of your grades and courses you have taken

If you have taken the test before September 2018 and want your test scores, see next page.
If you have taken the test before September 2018 and want to view your test scores or request additional score reports...

You used **Student Web Services (SWS)** to register if you took the ACT test before September 2018. You can still get your score reports from SWS for test dates before September 2018. Check your email for a link to SWS and your score report(s).

**However**... if you want to retest after September 2018, go to **myact.org** to register.
